Greenwood Parks & Recreation believes that youth sports activities are an important part of a child's development - but we are also concerned with keeping youth sports in proper perspective. Teaching fundamentals of each sport with emphasis on team will be our main objective. We would appreciate parents supporting our view and remembering that winning isn't everything. Coaches are certified by the National Youth Sports Coaches Association training program prior to working with youth. This program is offered prior to the start of each youth soccer & basketball season.
